Another Day

Original Broadway Cast

Who do you think you are?
Barging in on me and my guitar
Little girl, hey
The door is that wayYou better go, you know the fire's out anyway
And take your powder, take your candle
Your sweet whisper, I just can't handleWell, take your hair in the moonlight
Your brown eyes, goodbye, goodnight
I should tell you, I should tell you
I should tell you, I should, noAnother time, another place
Our temperature would climb
There'd be a long embrace
We'd do another danceIt'd be another play
Looking for romance?
Come back another day
Another dayThe heart may freeze or it can burn
The pain will ease if I can learn
There is no future, there is no past
I live this moment as my lastThere's only us, there's only this
Forget, regret or life is yours to miss
No other road, no other way
No day but todayExcuse me, if I'm off track
But if you're so wise
Then tell me, why do you need smack?
Take your needle, take your fancy prayerDon't forget, get the moonlight out of your hair
Long ago, you might've lit up my heart
But the fire's dead, ain't never ever gonna startAnother time, another place
The words would only rhyme
We'd be in outer space
It'd be another songWe'd sing another way
You wanna prove me wrong?
Come back another day
Another dayThere's only yes, only tonight
We must let go to know what's right
No other course, no other way
No day but todayI can't control, control your temper
My destiny, she doesn't see
I trust my soul
Who says that there's a soul?
(My only goal is just to be)

Just let me beThere's only now
(Who do you think you are?)
There's only here
Give in to love
(Barging in on me)
Or live in fear
(And my guitar)No other path
(Little girl, hey)
No other way
(The door is that way)
No day but today
(The fire's out anyway)No day but today
(Take your powder, take your candle)
No day but today
(Take your brown eyes, your pretty smile, your silhouette)No day but today
(Another time, another place)
(Another rhyme, a warm embrace)
No day but today
(Another dance, another way)
(Another chance, another day)No day but today
