# Blush

## Aly & Aj

You open lay at me
The things you like more are from me
Somehow I find it attractive
That you won't censor anything
With you there is no filter
To sugar coat what is said
Even though I like your honesty
It won't lead me to your bed, seldom stayed
Go ahead and say it
Even though you know it makes me uncomfortable
Go ahead and say it
If you must make me blush
You are so transparent
The farthest thing from perfect
Once again I am left out of breath
On the edge of losing it, seldom stayed
Go ahead and say it
Even though you know it makes me uncomfortable
Go ahead and say it
If you must make me blush
Please take me under with you
But I will only let you go so far
It can be a secret
You know what our boundaries are
Go ahead and say it
Even though you know it makes me uncomfortable
Go ahead and say anything
If you must, please make me blush
