

# Girls & Boys

## Blur

Street's like a jungle  
So call the police  
Following the herd  
Down to Greece, on holiday  
Love in the nineties  
Is paranoid  
On sunny beaches  
Take your chances, looking for

Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone you really love

Avoiding all work  
'Cause there's none available  
Like battery thinkers  
Count your thoughts, on one two three four five fingers  
Nothing is wasted  
Only reproduced  
You get nasty blisters  
Du bist sehr schen  
But we haven't been introduced.

Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone you really love

Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone you really love

Looking for, girls who are boys  
Who like boys to be girls  
Who do boys like they're girls

Who do girls like they're boys  
Always should be someone you really love

Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone you really love

Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone you really love

Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone you really love
