Send A Prayer

Gentleman

Jah, Jah, I say
Hear the words of his son
Lifting up his voice today
I know and I pray
Never will I go astrayMe send a prayer for my mama today
On my knees to the father I pray
Guidance, protection everydayMe send a prayer for my mama today
On my knees to the father I pray
Guidance, protection everydayIne me ganga lee boot and ina me khaki suit
Yes, I am a soldier and me seeking the truth
Trampeling the peagon cause man hafi revolute
Dem try fi kick me from the planr but jah is my parachuteI and I a stone that de builder refuse
Nuh go walk dem walk nuh step ina dem shoes
Nothin left fi win there is nothin left fi lose
Down a babylon the whole a dem confuseMe send a prayer for my mama today
On my knees to the father I pray
Guidance, protection everydayMe send a prayer for my mama today
On my knees to the father I pray
Guidance, protection everydayFi live in dis ya world a one ting yuh shuolda know
What yuh gonna reap is exactly what yuh sew
Trodding Mount Zion only one way to go
Life it a no tee taa toeSo me nuh go sit down nuh go waste no time
Nuh go mek dem brainwash control my mind
As far as I man know man a king from ancient long time
Yuh can't pop me off from the vineMe send a prayer for my mama today
On my knees to the father I pray
Guidance, protection everydayMe send a prayer for my mama today
On my knees to the father I pray
Guidance, protection everydayOne step come we hold a medi now
Two step baldhead an dready now
Three step high grade ina we heady now
It keep we steady nowOne step come we hold a medi now
Two step baldhead an dready now
Three step high grade ina we heady now
It keep we steady nowOh, yes, now
High grade ina we heady now
Oh, yes, now
Even de bald head and dready nowOne step come we hold a medi now
Two step baldhead an dready now

Three step high grade ina we heady now
It keep we steady nowOne step come we hold a medi now
Two step baldhead an dready now
Three step high grade ina we heady now
It keep we steady now
