## Rihanna

I like it, like it

I like it, like it

I like it, like it

I, I like it, like it

I like it, like it

I like it, like it

I like it, like it

Na na na come on (I like it, like it)

Na na na, come on (I, I like it, like it)

Na na na na come on (I like it, like it)

Na na na, come on, come on, come on

Na na na na naFeels so good being bad

There's no way I'm turning back

Now the pain is my pleasure

'Cause nothing could measureLove is great, love is fine

Out the box, out of line

The affliction of the feeling, leaves me wanting more'Cause I may be bad, but I'm perfectly good at it

Sex in the air, I don't care, I love the smell of it

Sticks and stones may break my bones

But chains and whips excite me'Cause I may be bad, but I'm perfectly good at it

Sex in the air, I don't care, I love the smell of it

Sticks and stones may break my bones

But chains and whips excite meNa na na, come on, come on, come on,

I like it, like it

Come on, come on, come on

I like it, like it

Come on, come on, come on

I like it, like it

Come on, come on, come on

I like it, like itJust one night full of sin

Feel the pain on your skin

Tough, I don't scream mercy

It's your time to hurt me yeah

If I'm bad tie me down

Shut me up, gag and bound me

'Cause the pain is my pleasure, nothing comes better

Yeah'Cause I may be bad, but I'm perfectly good at it

Sex in the air, I don't care, I love the smell of it

Sticks and stones may break my bones

But chains and whips excite meNa na na, come on, come on, come on,
