

# You Carried Me (LP Version)

## Building 429

I've been so busy, I missed the reasons  
I missed Your love and I nearly missed it all  
Still you've held me and you've healed me  
You've given all and it brought me to Your cross And I stand only because you've given me grace to walk  
Only because You carried me, You carried me  
You carried me through it all  
And I believe, yes, I believe  
You'll carry me all the way home  
'Cause mercy covers all, mercy covers all I know the scripture, I've known the songs  
I sang the words from my hollowed heart  
But you've spoken softly through the storm  
I've heard Your voice and I've felt the calm I stand only because you've given me faith to walk  
Only because You carried me, You carried me  
You carried me through it all  
And I believe, yes, I believe  
You'll carry me all the way home Lord, I know that You love me  
I'll never doubt it, I can't live without it  
Your mercy has found me, I am astounded  
I can't live without it, oh You carried me, You carried me  
You carried me through it all You carried me, You carried me  
And I believe, yeah, I believe  
You'll carry me all the way home  
'Cause mercy covers all, mercy covers all  
Yeah, yeah, and I believe
