Baby's Coming Back to Me

Jarvis Cocker

Outside there's children laughing
The radio plays my favorite song
The sun is shinningOh, and peace broke out in the world
And no one says a cruel word
And peace is the sweetest sound I've ever heardAnd baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming homeShe was just sleeping somewhere
Now she's come back to hold my hand
And we go walkingAnd the years have all melted away
Yeah, I remember you like yesterday
And the summer's here, so say goodbye to rainAnd baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming homeI feel like I am surely dreaming
How can things, oh, so quickly change?
Well, it's strange but true I'm telling you truthfully seeThat baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming homeOh, baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming back to me
My baby's coming home
