

Baby's Coming Back to Me

Jarvis Cocker

Outside there's children laughing
The radio plays my favorite song
The sun is shining Oh, and peace broke out in the world
And no one says a cruel word
And peace is the sweetest sound I've ever heard And baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming home She was just sleeping somewhere
Now she's come back to hold my hand
And we go walking And the years have all melted away
Yeah, I remember you like yesterday
And the summer's here, so say goodbye to rain And baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming home I feel like I am surely dreaming
How can things, oh, so quickly change?
Well, it's strange but true I'm telling you truthfully see That baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming home Oh, baby's coming back to me
Yeah, baby's coming back to me
Yeah, baby's coming back to me
My baby's coming home
