

# Sway

## The Rolling Stones

Did you ever wake up to find  
A day that broke up your mind  
Destroyed your notion of circular time

It's just that demon life has got you in its sway  
It's just that demon life has got you in its sway

Ain't flinging tears out on the dusty ground  
For all my friends out on the burial ground  
Can't stand the feeling getting so brought down

It's just that demon life has got me in its sway  
It's just that demon life has got me in its sway

There must be ways to find out  
Love is the way they say is really strutting out

Hey, hey, hey now  
One day I woke up to find  
Right in the bed next to mine  
Someone that broke me up with a corner of her smile, yeah

It's just that demon life has got me in its sway  
It's just that demon life has got me in its sway

It's just that demon life has got me in its sway  
It's just that demon life has got me...

It's just that demon life has got me...
