Superstar DJ
Superstar DJ
Me and my big mouth
(Aha)
Has got me into trouble again
(Aha)
'Cause every time he walks out
(Aha)
I know that's where the drama begins
(Aha)
I gotta keep composure
(Aha)
I don't know why he puts up the bass
(Aha)
I'm sick of pointing over
(Aha)
I'm sure I didn't heating the game
Now this could be the worst day of my life
If you walk away
But finally I think I've seen the light
It's a brand new day
I admit it, I'm alone
'Cause I keep on doing you wrong
I got lovin' on my mind
Just don't say it's the end of the line
So I'm standing at the door so I
Save the night, save the night
So I'm standing in your way
Can I save the night, save the night
Superstar DJ
Superstar DJ
I'm sick of my ego
(Aha)
Got close to be known as a star
(Aha)
Superstar DJ
(Aha)
I'm jealous 'cause you're dancing with her
(Aha)

Gotta act cooler
(Aha)
Don't wanna make a fool of myself
(Aha)
I better keep dancing
(Aha)
Or I think I do something else
(Aha)
Now this could be the worst day of my life
If you walk away
But finally I think I've seen the light
It's a brand new day
I admit it, I'm alone
'Cause I keep on doing you wrong
I got lovin' on my mind
Just don't say it's the end of the line
So I'm standing at the door so I
Save the night, save the night
So I'm standing in your way
Can I save the night, save the night
Superstar DJ
(Save the night)
Superstar DJ
(Save the night)
Superstar DJ
(Save the night)
Superstar DJ
(Save the night)
Save the night
Save the night
Save the night
