Pretty Girl

Jarvis

[Ludacris:]
Yeah ..
Disturbing the peace (Here's another one.)
Jarvis, ATL, LUDA! (untouchables)
and this next one goes out to
all the pretty girls all over the world.
so if you a pretty girl and you know it
this song's for you[Jarvis:]
Aye, Pretty girl (aye, pretty girl)
So what's ya name (so what's ya name)
I like the way thaa' ya walk
and I dig ya famee.
(So I) When I call, when I go,
I wanna go with you (and I)
When I conversate,
Girl can I talk to youu
Girl where ya from (girl where ya from)
And what ya doin'? (oh yeahhh ..)
Must be a model,
Loookin' bad as you do
What's up with me and you
Plannin' a rendezvous
Girl it's whatever
So what's good with youu?[Pre-Chorus:]
She got that kind of face
That you would only see on an angel
A body that looks good to me
From every angle.
I wanna get her all alone,
I hope she lets me take her home.
I only get down like that becausee ..[Chorus:]
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl[Verse:]

Girl you's a beast (a beast)
a 23 (a 23)
That means you're worth
Two tens plus a three. (and I)
Ain't neva seen that in my neighborhood (shawtay)
You got me goin' like I knew you would (knew you would)
You got me under your spell
Just like I'm locked in a jail (Oh, I)
And I don't wanna get out,
I neva knew bein' locked up could feel so good.[Pre-Chorus:]
She got that kind of face
That you would only see on an angel
A body that looks good to me
From every angle.
I wanna get her all alone,
I hope she lets me take her home.
I only get down like that becausee ..[Chorus:]
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl[Ludacris:]
Now listen here,
She got the face of an angel
And the girl is so fly
That her eyes stay twinklin'
Like she stole them out the sky
I love her to switch her hips
'Cause everytime she walks by
I see a big ol onion booty
And it makes me wanna cry
And she's so adventurous
Sweeeeter than licorice
Hey, Pretty girl.
Come here, are you ticklish?
Tickle this, tickle me
Like "Tickle Me Elmo"
I asked if she got down on the first date
and she said "HELL NO"
She said to take it slow
and it'll take mo' for you to please me
I said good 'cause I don't want it if it's that easy

Tease me like a stripper
Bite me like a snicker
She sounds like the North Star
And I'm a Big Dipper.
I'm quick to pick her upper like Bounty
But her wetness never drown me
Skin soft like fabric soft Downey.
And I always keep her smilin'
'Cause mostly she's me Silly Girl
But really she's my pretty, pretty, pretty
My Pretty Girl[Chorus:]
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl (disturbing the peace)
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl (untouchables)
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
She's a pretty, pretty, pretty, pretty girl
