

All You See

Jon Wong

Ooh Ooh

Ah Ah

Ha Ha

Hey Hey

Ooh Ooh

Ah Ah

Ha Ha

Hey Hey

You best believe

Everyday i get the same ol' thang

All kind of brothers comin' up to me

With silly lines that can make you sick

(Oh they need to quit!)

Don't get me wrong I like attention too

But do they really have to act a fool:

'cause' they see a lady lookin' good

(Please admit..)

CHORUS

Is it my hips, my lips?

My eyes, my thighs?

My chest, my hair?

Is it my big ol',,,

Heeeeeey is that all you see?

-Repeat Chorus-

In a limousine, fancy cars, bling bling bling

Even if you're standing 6 foot 3,

Or 3 feet tall with no teeth

Have respect for me

Try conversation please

Before you try to put your hands on me

When will they ever learn there's more to me than T&A on this PYT?

(Daddy Please!)

CHORUS 2x

And you acting like you don't know

Why some brothers always lose control

When you wearing them hip-high jeans

With ya thong out baby please,

Let a player speak and don't ya start to tweak!

You got the body that can make men weak.
So when you walk around in "Do Me" clothes, like them "VideHoes",
 Girl ya need to know,
 That all I'm lookin' at is....
 CHORUS 2x
 Ad-lib-
 Sexy underwear, I see
 OOh and you know I love your hips
 Something about your thighs
 It's driving me crazy
 Ooh ah ha hey hey
 Ooh Ooh
 Ah Ah
 Ha Ha
 Hey Hey
 Is that all you see????
