He Has Done Me Well

Diana Ohemeng

When the storms of life blew
And you have nowhere to turn
Remember what the Lord
Has done for you

Remember where you were
And where you are now
Is a testament
That God has been good (x2)

Chorus

He has done me well x2
All Sovereign Lord
He has done me well x2

Who am I?
What is my House?
That you the Lord have brought me this far

When you speak
It comes to pass
All nations shall praise your Name

Who am I?
All Sovereign Lord
What is my House?
That you have brought me this far

When You speak
It comes to pass
All Nations shall praise your Name.

Chorus
He has done me well x2
All Sovereign Lord

He has done me well x2
