## **Femme Fatale**

## <u>Ours</u>

Here she comes You better watch your step She's going to break your heart in two, it's trueIt's not hard to realize Just look into her false colored eyes She builds you up to just put you down, down'Cause everybody knows (She's a femme fatale) The things she does to please (She's a femme fatale) She's just a little tease (She's a femme fatale) See the way she walks Hear the way she talksLittle boy, she's from the street Before you start, you're already beat She's gonna play you for a fool, it's true'Cause everybody knows (She's a femme fatale) The things she does to please (She's a femme fatale) She's just a little tease (She's a femme fatale) See the way she walks Hear the way she talks'Cause everybody knows (She's a femme fatale) The things she does to please (She's a femme fatale) She's just a little tease (She's a femme fatale) See the way she walks Hear the way she talks'Cause everybody knows (She's a femme fatale) The things she does to please (She's a femme fatale) She's just a little tease (She's a femme fatale) Everybody knows
