

Lemon Parade

Tonic

I wish I'd seen you, as a little girl
Without your armor, to fend off the world
I would have kept you, underneath my wing
And I would protect you, from everything Make way for the lemon parade
Make way for my girl
Make way for the lemon parade
Make way for my girl And did the boys all tease you, when they had the chance
Always left standing, when it came time to dance
Did you hide behind your books girl, did you find your secret friends
Always I'll want you, always till the end Make way for the lemon parade
Make way for my girl
Make way for the lemon parade
Make way for my girl Make way for the lemon parade
Make way for my girl
Make way for the lemon parade
Make way for my girl, make way for my girl
