

Breathing In A New Mentality

Underoath

I'm the desperate
And you're the savior There's been something else talkin' in my ear
Someone save me
When I speak
It begins to decay
I'm not about to bury myself
Oh, God my hands are shaking again
Calm down
Now I can't feel the floor
And my vision takes it's toll on me I'm the desperate
And you're the savior Oh, God it's racing through my veins
I'm afraid there must be some kind of mistake
Oh, I'm in over my head again
Reach in and grab a hold of me
I'm so scared that I've started to slip
They say that I'll never change
I'll prove 'em wrong It's over I hear the calling but it's passing through
Clean me up show me how to live
Tear me down
Let me start again
