

The Navy Song

Billy Talent

Time, rolling along with the waves
A thousand miles away
Holding you close in the rain
Seems just like yesterdayLost up in a faraway place
And in my hand remains
A black and white print of a face
Ill never see againI gave my life to save her
The ocean turned to red
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them allCut down like lambs at slaughter
Good men were left for dead
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them allLove, certain till death do us part
Im drifting in the dark
Wounded and wishing to fall
Into your faithful armsI gave my life to save her
The ocean turned to red
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them allCut down like lambs at slaughter
Good men were left for dead
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them allBeneath the sky of hate
Beyond the sea of pain
In heaven I will wait
Until we meet againGo, I gave my life to save her
The ocean turned to red
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them allCut down like lambs at slaughter
Good men were left for dead

In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all I gave my life to save her
The ocean turned to red
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all Cut down like lambs at slaughter
Good men were left for dead
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all
