The Navy Song

Billy Talent

Time, rolling along with the waves

A thousand miles away

Holding you close in the rain

Seems just like yesterdayLost up in a faraway place

And in my hand remains

A black and white print of a face

Ill never see againI gave my life to save her

The ocean turned to red

In the fall, in the fall

When the tide took them all

In the fall, in the fall

When the tide took them allCut down like lambs at slaughter

Good men were left for dead

In the fall, in the fall

When the tide took them all

In the fall, in the fall

When the tide took them allLove, certain till death do us part

Im drifting in the dark

Wounded and wishing to fall

Into your faithful armsI gave my life to save her

The ocean turned to red

In the fall, in the fall

When the tide took them all

In the fall, in the fall

When the tide took them allCut down like lambs at slaughter

Good men were left for dead

In the fall, in the fall

When the tide took them all

In the fall, in the fall

When the tide took them allBeneath the sky of hate

Beyond the sea of pain

In heaven I will wait

Until we meet againGo, I gave my life to save her

The ocean turned to red

In the fall, in the fall

When the tide took them all

In the fall, in the fall

When the tide took them allCut down like lambs at slaughter

Good men were left for dead

In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them allI gave my life to save her
The ocean turned to red
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them allCut down like lambs at slaughter
Good men were left for dead
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all
