

Objection Overruled

Accept

Members of the jury
Your conclusion has been drawn
Defendants should be sentenced
But you just let 'em goThe city is a time bomb
The judge has lit the fuse
Vigilante breakout
Gotta tighten up the nooseYour honor, please
We want the truth
Nothing but the truth
Your honor, pleaseObjection overruled
Let's hang 'em high
Overruled
Horsewhip 'emI call upon the nation
To take the witness stand
Too long you've stood in silence
Now justice will be doneHey you, the jury members
You let the people down
We trusted your sincerity
One finger at the lawYour honor, please
We want the truth
Nothing but the truth
Your honour, pleaseObjection overruled
Let's hang 'em high
Overruled
Horsewhip 'emThe judge's hammer falls
Eruption in the court room
The cry goes up, "It's anarchy!"
Just stick your bloody rulesThe judge's hammer falls
Let's loot them out of office
Some heads are gonna roll
The cry goes up, "It's anarchy!"Your honor, please
We want the truth
Nothing but the truthObjection overruled
Let's hang 'em high
Overruled
Horsewhip 'em
Objection overruled
This is a travesty of justice
