You Love Me

Salon Helga

Thick skin, soft touch
Heart of gold but it's n-n-n-not enough
Forgiving arms, the higher road
Working hard but it's n-n-n-not enough

You said I'm not good enough
I'm not good enough
But what you really mean is
You're not good enough
You're not good enough
You can't deliver so you turn it around
[Chorus]You didn't let me down, you didn't tear me apart
You just opened up my eyes while breaking my heart
You didn't do it for me, I'm not as dumb as you think
You just made me cry
While claiming that you love me, you love me, you love me
You said you love me but that I'm not good enough
I'm not good enough

Strong hold, a fun ride
But rollercoasters are just n-n-n-not enough
I keep it in, you wear me out
This kind of love is n-n-n-not enough
You said I'm just a sinking ship
I'm just a sinking ship
But what that really means is
You can't handle this
You can't handle this
You couldn't win and so you turn it around
[Chorus]
You didn't let me down, you didn't tear me apart
You just opened up my eyes while breaking my heart
You didn't do it for me, I'm not as dumb as you think
You just made me cry
While claiming that you love me, you love me, you love me
You said you love me but that I'm not good enough
I'm not good enough

Your love feels different

It's like a blow to the head with your compliments
Your love hurts deeper
It's like a brick in the sea and I'm drowning with it
[Chorus]You didn't let me down, you didn't tear me apart
You just opened my eyes while breaking my heart
You didn't do it for me, I'm not as dumb as you think
You just made me cry
While claiming that you love me, you love me, you love me
You said you loved me but that I'm not good enough
I'm not good enough
So understand that it means nothing when you say you love me
When you say you love me
When you say you love me, you love me, you love me

[Chorus]You didn't let me down, you didn't tear me apart
You just opened up my eyes while breaking my heart
You didn't do it for me, I'm not as dumb as you think
You just made me cry
While claiming that you love me, you love me, you love me
You know the truth is that you're not good enough
You're not good enough
