Cheap Talk

Death from Above 1979

She uses her body
To say the things that she can't say
But I don't know why, I can't lie
I could never really move that way, aySo listen, I go crazy
The way she makes me
Get on my knees
Yeah!
I beg it, please
Yeah!What he said
What she said
It doesn't really matter in the end
I can see it goin' fast
Talkin' cheap will never lastWhat he said
What she said
It doesn't really matter in the end
I can see it goin' fast
Talkin' cheap will never lastI notice you noticing me
The way that you walk in that I believe
Everythin' you said
Your body won't lie in bedSo listen, I go crazy
The way she makes me
Now listen, I go crazy
The way she makes me
Get on the floor
Yeah!
I want some more
Yeah!What he said
What she said
It doesn't really matter in the end
I can see it goin' fast
Talkin' cheap will never lastWhat he said
What she said
It doesn't really matter in the end
I can see it goin' fast
Talkin' cheap will never lastShe is in the back seat
Buyin' everythin' he says
While he's runnin' like a bull
That you look in the mirror, airYou can turn around
You can turn around

You can turn around
You can turn around
You can turn around
You can turn around
