

# Unconditional Love

R.T.A.

You could give me diamonds, you could give me pearls  
Give me all the fast cars in the world  
But there is only one thing and it's bigger than the sea  
The only thing that matters is what you've given me  
And I say that, when I see the bright lights in your eyes  
Feel like a bird that's just learned to fly  
From now until the end of time, I'm glad you came into my life  
My gift sent from above, unconditional love  
You take me as I am, not who I'm dressed up to be  
Looking at you tells me the best things in life are free  
You're the blessing that I treasure with a heart so true  
No one ever touched me the way that you do  
And I say that, when I see the bright lights in your eyes  
Feel like a bird that's just learned to fly  
From now until the end of time, I'm glad you came into my life  
My gift sent from above, unconditional love  
With your innocence you opened up my heart  
I knew that I would love you right from the very start  
You turned my life around showed me a better way  
Thoughts of you will always make me have a brighter day  
When I'm by your side it helps to see me through  
Can't express all the happiness when I'm with you  
A gift from up above the one I'm dreaming of  
I'll always cherish you, my unconditional love  
When I see the bright lights in your eyes  
Feel like a bird that's just learned to fly  
From now until the end of time, I'm glad you came into my life  
My gift sent from above, unconditional love  
My gift sent from above, unconditional love  
My gift sent from above, unconditional love  
My unconditional love
