

# Enjoy The Silence

[Susan Boyle](#)

words like violence  
break the silence  
come crashing in  
into my little worldpainful to me  
pierce right through me  
can't you understand  
oh, my little girlall i ever wanted  
all i ever needed  
is here in my arms  
words are very unnecessary  
they can only do harmvows are spoken  
to be broken  
feelings are intense  
words are trivialpleasures remain  
so does the pain  
words are meaningless  
and forgettableall i ever wanted  
all i ever needed  
is here in my arms  
words are very unnecessary  
they can only do harmall i ever wanted  
all i ever needed  
is here in my arms  
words are very unnecessary  
they can only do harmall i ever wanted  
all i ever needed  
is here in my arms  
words are very unnecessary  
they can only do harm
