

Suffocated

Undertakers

In the beginning it was worth this
Do the worst, feel complete
Passing standards others meet
(What we do best)
Now perfect endings make you anxious
A heavy head, a cold sweat
Leaving nothing here, nothing to regret Why am I still suffocated
I'm constantly devastated just to stay alive
Why am I still suffocated
I'm constantly devastated just to stay alive I miss the old days that we murdered
They're so far gone, out of reach
Watch 'em fade with summer's heat
(Well it goes like this)
Without a break from this distraction
I need a change, a different scene
A new approach to coming clean Why am I still suffocated
I'm constantly devastated just to stay alive
Why am I still suffocated
I'm constantly devastated just to stay alive Still searching for a back door out of here
Reassured that my friends will reappear
Why am I still suffocating
Just hold your breathe deep and I'll keep waiting
(x2) Why am I still suffocated
I'm constantly devastated just to stay alive
Why am I still suffocated
I'm constantly devastated just to stay alive
