

# Treacherous

## Vendemmian

Put your lips close to mine  
As long as they don't touch  
    Out of focus, eye to eye  
    Till the gravity's too much  
    And I'll do anything you say  
    If you say it with your hands  
And I'd be smart to walk away, but you're quicksand  
    This slope is treacherous  
    This path is reckless  
    This slope is treacherous  
    And I, I, I like it  
    I can't decide if it's a choice  
        Getting swept away  
    I hear the sound of my own voice  
        Asking you to stay  
And all we are is skin and bone trained to get along  
    Forever going with the flow, but you're friction  
    This slope is treacherous  
    This path is reckless  
    This slope is treacherous  
    And I, I, I like it

Two headlights shine through the sleepless night  
    And I will get you, get you alone  
    Your name has echoed through my mind  
And I just think you should, think you should know  
    That nothing safe is worth the drive and I will  
        Follow you, follow you home...  
    I'll follow you, follow you home...  
        This hope is treacherous  
        This daydream is dangerous  
        This hope is treacherous  
        I, I, I... I, I, I... I, I, I...  
Two headlights shine through the sleepless night  
    And I will get you, get you alone  
    Your name has echoed through my mind  
And I just think you should, think you should know  
    That nothing safe is worth the drive and I will  
        Follow you, follow you home...

I'll follow you, follow you home...

I'll follow you, follow you home...

I'll follow you, follow you home...

This slope is treacherous

I, I, I like it
