Fun

Nancarrow

Written by Graham Nancarrow

Well me and my buddy Russel
we're icin' down a 30 pack
Ya tonight's the night we're gonna take it all back
Our will and our way is gonna lead us to the grave
Just tryin' to raise hell, just for today

Ya and that's okay cuz there's a God above
and that's alright it's just something we love
and there ain't nothin' wrong with goin' on a run
no there ain't nothin' wrong with havin' some fun

In trouble seein' double down by the lake
We throw a few back just for old time sake
Ya see I never needed nothin'
just some friends and some beer
Well I'm comin' home but not tonight my dear

Ya and that's okay cuz there's a God above
and that's alright it's just something we love
and their ain't nothin' wrong with goin' on a run
no there ain't nothin' wrong with havin' some fun
no there ain't nothin' wrong with goin' on a run
no there ain't nothin' wrong with haven' some fun
