

Nobody's Better (feat. Fetty Wap)

Z

[Intro: Fetty Wap]

Zoovier! Ayo Z talk to 'em! Squaa! [Verse 1: Z]

I wanna know what's on your mind

Baby can you tell me?

We are such a mystery, yeah

I see you liking all those pics

Flirtin' with that other chick, baby

And I can't take this no more [Refrain: Z]

Baby can you tell me how you feelin'?

I ain't feelin' the way I'm feelin' about you right now [Hook: Fetty Wap]

Baby what you see is what you get

Talk to me, say what it is

Nobody's better by your side, baby

Baby what you see is what you get

Talk to me, say what it is

Nobody's better by your side, baby

Please don't take this lightly

I like you and you like me

Just don't believe the hype, baby

I got you and you got me

Please don't take this lightly

I like you and you like me

Just don't believe the hype, baby

I got you and you got me [Verse 2: Z]

Do you really wanna put it that way?

Is that all you have to say?

I gave all my love to you

And you're throwin' it all away

It was not too long ago, you were sayin'

"Baby won't you come my way?"

Cannot, cannot keep you out my brain"

So I gotta know [Refrain: Z]

Baby can you tell me how you feelin'?

I ain't feelin' the way I'm feelin' about you right now [Hook: Fetty Wap]

Baby what you see is what you get

Talk to me, say what it is

Nobody's better by your side, baby

Baby what you see is what you get

Talk to me, say what it is

Nobody's better by your side, baby
Please don't take this lightly
I like you and you like me
Just don't believe the hype, baby
I got you and you got me
Please don't take this lightly
I like you and you like me
Just don't believe the hype, baby
I got you and you got me[Bridge: Z]
See I really wish that I could believe
The words that you are sayin' to me, baby
I need a little bit more from you than that
I need a little bit of honesty
Let me know when you're ready to love me
Baby let me know when you're ready to love me
And only me, yeah[Outro: Z]
Baby what you give is what you get
Talk to me, forget the rest
Nobody's better by your side than me
Baby what you give is what you get
Talk to me, forget the rest
Nobody's better by your side than me
Please don't take me lightly
I like you and you like me
I won't believe the hype, baby
If you treat me right
Please don't take me lightly
I like you and you like me
I won't believe the hype, baby
If you treat me right
