

Prison House Blues

The Tiger Lillies

Sitting there in your cell
With your anguish and your hell
And no cure, no cure for you
When you're prison house blue
Four walls on which you stare
Nobody loves you, nobody cares
No one's waiting out there for you
When you're prison house blue
And as they rape your soul
As the violence does show
Prison house blue
Prison house blue
Prison house blue
Prison house blue
