

Dupree's Paradise

Frank Zappa & The Mothers

You took me up to heaven, when you took me in your arms

I was dazzled by your kisses, blinded by your charms

I was lost in a fool's paradise

Good and lost in a fool's paradise

When you told me that you loved me, I gave my heart to you

And I wondered if there could be any truth in love so new

I was lost in a fool's paradise

Good and lost in a fool's paradise

The whole world was my kingdom

And your love the gem in my crown

Then I saw you glance at a new romance

And my love came tumbling down

Well you treat me kinda coolish and may never let me know

That you think I'm being foolish because I love you so

I'll still get lost in a fool's paradise

Lost with you in a fool's paradise

Well you treat me kinda coolish and may never let me know

That you think I'm being foolish because I love you so

I'll still get lost in a fool's paradise

Lost with you in a fool's paradise

Lost with you in a fool's paradise
