

Move Away

Culture Club

Moving, moving
Move away
Move away Spirit changed the conversation
Stepping stones across the land
I never wanted to be a hero
I never wanted to be a man I hurt you darling
I made you cry
I hurt you darling
Don't ask me why Move, move, move away from me darling
I never said I'd hold your hand
Move, move, move away from me darling
I never said I'd understand
If I could say this was Judgment Day
You know I'd be a millionaire I'm prepared to wear my sorrow
Everywhere we go in town
Ain't no need to beg or borrow
While you're there to drag me down I hurt you darling
I made you cry
I hurt you darling
Don't ask me why, oh yeah Move, move, move away from me darling
I never said I'd hold your hand
Move, move, move away from me darling
I never said I'd understand
If I could say this was Judgment Day
You know I'd be a millionaire, yeah, yeah Just right
Move away
I need you so
I can't let go
Move away I hurt you darling
I made you cry
I hurt you darling
Don't ask me why, oh why Move, move, move away from me darling
I never said I'd hold your hand
Move, move, move away from me darling
I never said I'd understand
Move, move, move away from me darling
I never said I'd hold your hand
If I could say this was Judgment Day
I'd be a millionaire, oh yeah Move away

I never said that I'd hold your hand

Move, move, move, away

Why don't you move?

I never said I'd understand

Move away

Move, move, move, away

Why don't you move away?

Move away

Why don't you move away?
