Butterfly

Richard Cheese

Come my lady
Come, come my lady
You're my butterfly
(Sugar baby)
Sugar baby
Come my lady
Come, come my lady
You're my butterfly
(Sugar baby)
Sugar babySuch a sexy, sexy, pretty little thing
Fierce nipple pierce
You got me sprung with your tongue ring
And I ain't gonna lie 'cause your lovin' gets me high
So to keep you by my side
There's nothin' that I won't tryButterflies in her eyes and the looks to kill
Time is passin'
I'm askin', could this be real
'Cause I can't sleep, I can't hold still
The only thing I really know is she got sex appealI can feel too much is never enough
You're always there to lift me up
When these times get rough
I was lost, now I'm found
Ever since you've been around
You're the women that I want
So yo, I'm puttin' it downCome my lady
Come, come my lady
You're my butterfly
(Sugar baby)
Sugar baby
Come my lady
You're my pretty baby
I'll make your legs shake
You make me go crazy
(Crazy)Come my lady
Come, come my lady
You're my butterfly
(Sugar baby)
Sugar baby
Come my lady

You're my pretty baby
I'll make your legs shake
You make me go crazy
(Crazy)I don't deserve you
Unless it's some kind of hidden message
To show me life is precious
Then I guess it's true
But to tell the truth, I really never knew 'til I met you
See I was lost and confused
Twisted and used up
Knew a better life existed
But thought that I missed itMy life style's wild
I was livin' like a wild child
Trapped on a short leash
Paroled the police files
So yo, what' s happenin' now?
I see the sun breakin'
Down into dark clouds
And a vision of you standin' out in da crowdSo come my lady
Come, come my lady
You're my butterfly
(Sugar baby)
Sugar baby
Come my lady
You're my pretty baby
I'll make your legs shake
You make me go crazy
(Crazy)Hey sugar momma, come and dance with me
The smartest thing you ever did was take a chance with me
So whatever tickles your fancy
Girl, it's you like Sid and NancySo sexy, almost evil
Talkin' about butterflies in my head
I used to think that happy endings were only in da books I read
But you made me feel alive when I was almost deadYou filled that empty space with the love I used to chase
And as far as I can see, it don't get better than this
So Butterfly, here is a song
And it's sealed with a kiss and a thank you missCome and dance with me
Come and dance with me
Come and dance with me
So come and dance with me
Ah ha, ah haCome my lady
Come, come my lady
You're my butterfly
(Sugar baby)
Sugar baby

Come my lady
You're my pretty baby
I'll make your legs shake
You make me go crazy
(Crazy)Come my lady
Come, come my lady
You're my butterfly
(Sugar baby)
Sugar baby
Come my lady
You're my pretty baby
I'll make your legs shake
You make me go crazy
(Crazy)Come my lady
Come, come my lady
You're my butterfly
(Sugar baby)
Sugar baby
Come my lady
You're my pretty baby
I'll make your legs shake
You make me go crazy
(Crazy)Come my lady
Come, come my lady
You're my butterfly
(Sugar baby)
Sugar baby
Come my lady
You're my pretty baby
I'll make your legs shake
You make me go crazy
(Crazy)Come and dance with me
Come and dance with me
Come and dance with me
Come and dance with me
Ah ha, ah haCome and dance with me
Come and dance with me
Come and dance with me
Come and dance with meCome and dance with me
Come and dance with me
Come and dance with me
