

# Let Yourself Go

## Ledernacken

Shut your mouth 'cause you're talking too much

And I don't give a damn anyway

You always seem to be stepping in shit

And all you really do is complain

Hitch a ride, tell it how you like

Small minds tend to think alike

Shut your mouth 'cause you're talking too much

And I don't give a fuck anyway

Chorus:

Let yourself go, let yourself go, let yourself go (x4)

Gotta let it go, gotta let it go (x2)

Cut the crap 'cause you're screaming in my ear

And you're taking up all of the space

You're really testing my patience again

And I'd rather get punched in the face

You're getting on my every last nerve

Everything you've said I've already heard

I'm sick to death of your every last breath

And I don't give a fuck anyway

Chorus:

Let yourself go, let yourself go, let yourself go(x4)

Gotta let it go, gotta let it go (x4)

(Guitar Solo)

Always fuck, fuckin' with my head now (x3)

Always fuckin' with my head

And I gotta let it go

Chorus:

Let yourself go, let yourself go, let yourself go(x8)
