

I Like the Way It Feels

Patti LaBelle

I like the way it feels You never cheated
And I don't think, you are ever relied, oh baby
You always take me fake
I am important you know right
Yes you do You always careful me
Please keep me constantly
Thank you for being who you are
Your never selfish always consider what I have
And I thank you baby
I like the way it feels, feels, feels
Because you keep it real, so real
I like the way it feels, feels, feels
Because you keep it real, so real You rarely stay out late
And if you do you call me up, oh baby
I never worry about you in someone else's arms
Making love, oh no There ain't no pressure
When you know that I'm not in the mood, oh no
'Cause three hundred and sixty five
Boy I'll give my everything to you I like the way it feels, feels, feels
Because you keep it real, so real
I like the way it feels, feels, feels
Because you keep it real, ohh
Women do complain
They can't find a man
To satisfy their needs
Oh no no no
Someone sensitive
Willingness to help
And able to please, able to please
That I like the way I like the way it feels, feels, feels
Because you keep it real, so real
I like the way it feels, feels, feels
Because you keep it real I like the way it feels, feels, feels
Because you keep it real
I like the way it feels, feels, feels
Because you keep it real
