

I Love You Lord

Dr. Tumi

I know no other God like you
Who would lay down his life
To love a broken man like me
Gave your all
Lord my God, my deliverer
My God in whom I trust
In my distress I called on you
And you heard my cry

Chorus -

I love you Lord
I love you
Cause you first loved
You first loved me
First loved me
And died on the cross
Died on the cross
On the cross
Washed my sin away
You Washed my sins
Washed my sin
And now I'm free.

My peace, my everlasting joy
You're my hiding place
My shelter on those rainy days
You're My rock My strength.

My savior my provider
You're my Lord and King
You are the lover of my soul
You're my life my friend

Free from all bondage
No longer enslaved
Took of the shackles now I'm free
I know no other love that could be greater
While I was yet a sinner Christ died for me

Chorus -
