

The Real Thing

Tech N9ne

Drink, cause this is unreal
..the real thing cross the path of?

Chorus:

..you must stay..

Cause when I?m here, I cannot hide!

This pain is mine, not before you

I cannot lie, cause I die for you!

Believe me I die!

Believe me I die!

Hey! I?m the real thing?

All over USA all?

I didn?t get out this?

It?s a prison, a motivation to just do right

..my fans one by one

..bullets coming from my gun

Then you?ll cry for me, ?

I?m giving the spirit a heart form my jar

How can you say my life is made belief?

When everybody is coming for real

I pay the deeds, I create the theme

So why behave, cause we?re broke, we grow

When I look around I see jokes

With a whole lot of?

?taught me to not be flossy

Cause this ?

Chorus:

..you must stay..

Cause when I?m here, I cannot hide!

This pain is mine, not before you

I cannot lie, cause I die for you!

Believe me I die!

Believe me I die!

Facing my shit is permanent glimpse

And all the thing I?m doing is?

When I?m gone, there will be?

When I?m around you I?m ?.

..giving up, cause I ?

..and it?s better than you,

Never in blue, ?
Pay my money for? and food!
I?m the real thing!
I can rap, bitch
And I don?t know nobody that?s .. that shit!
Putting my mask, spitting fast, get the cash quick
How is it feel to be real, is fucking fantastic!

Chorus:

..you must stay..

Cause when I?m here, I cannot hide!

This pain is mine, not before you

I cannot lie, cause I die for you!

Believe me I die!

Believe me I die!
