Real

Macy Gray

I feel so breathless
All this running around
Tender traitor
With my cruel crown
My cards are on the table
I need Real love, Not some fabrication
Real love, not just indicationTell me how you gone make me feel
I took the rules down, put away the game
Kinder distance, to the love we made
And I m building up the fireI need
I need
I needReal love, not some fabrication
Real love, not just indication
