

Graduation

Vitamin C

And so we talked all night about the rest of our lives
Where we're gonna be when we turn twenty five
I keep thinking times will never change
Keep on thinking things will always be the same
But when we leave this year, we won't be coming back
No more hanging out 'cause we're on a different track
And if you got something that you need to say
You better say it right now 'cause you don't have another day
Cause we're moving on and we can't slow down
These memories are playing like a film without sound
And I keep thinking of that night in June
I didn't know much of love
But it came too soon
And there was me and you
And then we got real cool
Stay at home talking on the telephone with me
We'd get so excited, we'd get so scared
Laughing at ourselves thinking life's not fair
And this is how it feelsAs we go on
We remember
All the times we
Had together
And as our lives change
Come whatever
We will still be
Friends foreverSo if we get the big jobs
And we make the big money
When we look back now
Will our jokes still be funny?
Will we still remember everything we learned in school
Still be trying to break every single rule?
Will little brainy Bobby be the stockbroker man?
Can Heather find a job that won't interfere with her tan?
I keep, I keep thinking that it's not goodbye
Keep on thinking it's a time to fly
And this is how it feelsAs we go on
We remember
All the times we
Had together

And as our lives change
Come whatever
We will still be
Friends foreverLa, la, la, la
Yeah, yeah, yeah
La, la, la, la
We will still be friends foreverWill we think about tomorrow like we think about now?
Can we survive it out there?
Can we make it somehow (somehow)?
I guess I thought that this would never end
And suddenly it's like we're women and men
Will the past be a shadow that will follow us 'round?
Will these memories fade when I leave this town
I keep, I keep thinking that it's not goodbye
Keep on thinking it's a time to flyAs we go on
We remember
All the times we
Had together
And as our lives change
Come whatever
We will still be
Friends foreverAs we go on
We remember
All the times we
Had together
And as our lives change
Come whatever
We will still be
Friends foreverAs we go on
We remember
All the times we
Had together
And as our lives change
Come whatever
We will still be
Friends forever
