

Under Wraps

Ghost Town

Advisory - the following lyrics contain explicit language:

I unravel one by one.
These bandages cover up who you really are.
I take off some more,
Don't know what's in store.
White rags on the floor.Let's see if we can keep this lust under wraps.
Three thousand years you dreamt of us.
Now I'm back.I'll save you from this tomb.It doesn't matter how fast I go.
These linens can't control.
Mystery, can't you see?I want the person I knew.
When this kingdom came crashing down,
You stood and you fought
And you kept our vow.How many times do I have to mention?
The scars, the imperfections
Are what make me want you more.Let's see if we can keep this lust under wraps.
Three thousand years you dreamt of us.
Now I'm back.I'll save you from this tomb,
To live the life we wanted to.
They told me you were gone for good.
Don't judge a mummy by its rags.Now, I'm back.
Three thousand years you dreamt of us.I unravel one by one.
Not scared of what you've become.I unravel one by one.
Our forbidden lust,
Now untangled love.Let's see if we can keep this lust under wraps.
Three thousand years you dreamt of us.
Now I'm back.Let's see if we can keep this lust under wraps.
Three thousand years you dreamt of us.
Now I'm back.I'll save you from this tomb,
To live the life we wanted to.
They told me you were gone for good.
Don't judge a mummy by its rags.
