

Fall for You

Secondhand Serenade

The best thing about tonight's that we're not fighting
It couldn't be that we have been this way before
I know you don't think that I am trying
I know you're wearing thin down to the core But hold your breath Because tonight will be the night that I will
fall for you
Over again
Don't make me change my mind Or I won't live to see another day
I swear its true
Because a girl like you is impossible to find
You're impossible to find This is not what I intended
I always swore to you I'd never fall apart
You always thought that I was stronger
I may have failed
But I have loved you from the start Oh, but hold your breath Because tonight will be the night that I will fall for
you
Over again
Don't make me change my mind
I won't live to see another day
I swear it's true
Because a girl like you is impossible to find
It's impossible to find So breathe in so deep
Breathe me in
I'm yours to keep And hold onto your words
'Cause talk is cheap
And remember me tonight when you're asleep Because tonight will be the night that I will fall for you
Over again
Don't make me change my mind
I won't live to see another day
I swear it's true
Because a girl like you is impossible to find Tonight will be the night that I will fall for you
Over again
Don't make me change my mind
I won't live to see another day
I swear it's true
Because a girl like you is impossible to find
You're impossible to find
