

I Know a Little (feat. Jason Isbell) [Live]

Lynyrd Skynyrd

Yes sir Well the bigger the city, well the brighter the lights
The bigger the dog, well the harder the bite
I don't know where you been last night
But I think mama, you ain't doin' right Say I know a little
I know a little about it
I know a little
I know a little 'bout it
I know a little 'bout love
And baby I can guess the rest Well now I don't read that daily news
'Cause it ain't hard to figure
Where people get the blues
They can't dig what they can't use
If they stick to themselves
They'd be much less abused Say I know a little
Lord I do know a little about it
I know a little
I know a little 'bout it
I know a little 'bout love
Baby I can guess the rest
Play me a little, oh yeah
Yeah Well if you want me to be your only man
Said listen up mama, teach you all I can
Do right baby, by your man
Don't worry mama, teach you all I can Say I know a little
Lord I do know a little about it
I know a little
I know a little 'bout it
I know a little 'bout love
Baby I can guess the rest
Well I know a little 'bout love
Baby I want your best
