

Surrender

Ben Lee

Well I have felt an angel's kiss
And I have seen the sweet sunset
I thought maybe I was this
I found out that I am thatLet go
Give in
Give up
SurrenderLet go
Give in
Give up
SurrenderAll the things I long to touch
And all the tastes that seem so sweet
They don't matter all that much
When I'm falling at your feetLet go
Give in
Give up
SurrenderLet go
Give in
Give up
SurrenderOh yeah!
Come on!
No-one puts baby in the corner!
yeah!Well I can't promise I won't fall
And I can't say I'm never scared
I can't promise much at all
But when you call me I'll be thereLet go
Give in
Give up
SurrenderLet go
Give in
Give up
SurrenderLet go
Give in
Give up
SurrenderLet go
Give in
Give up
SurrenderYeah
Yeah
Yeah
