

# Give Me Another Chance

## Big Star

You feel sad 'cause I got mad  
And I'm sorry, I'm sorry  
Things I said made things seem bad  
But don't worry  
'Cause it's gonna be alright now  
Be okay  
You know I just don't think before I speak I've been lookin' for to find  
Somethin' to believe in my mind  
And I thought it was you All this time since you've been mine  
I've been angry, so angry  
Made it known I could make it alone  
But I'm changin'  
And I'm gonna be alright now  
Be okay  
You know I just woke up and I see the way Don't give up on me so fast  
I see it's me that's wrong at last  
Give me another chance It's so hard just to stay alive each day  
I really can't go on this way, ho no, oh no Hey hey  
Hey hey hey  
Hey hey  
Hey hey  
Hey hey, hey  
Ahh Don't give up on me so fast  
I see it's the end, it's wrong at last  
Give me another chance
