

Tell Me 'Bout It (Live from the Bowery Ballroom)

Joss Stone

Joss, how much lovin' do you need?
Do you need it once a day
Twice a day, three times a day, four times a day
You gotta let me know I need a little lovin' at least two times a day
So when I call ya, boy, you better run here right away
Let's have a show of hands
Who's addicted to their man?
If I could do the things I want to you
You'd be changing all your plans
You wanna say I'm yours
I wanna say get it
You wanna say, so say
I know what you're thinking, babe [Chorus:]
So tell me, babe
(Tell me 'bout it)
Tell me how I feel
(How you feel)
And if the feeling's real
(Feeling's real)
Tell me what's the deal
(Hey, hey, hey)
Gon' tell you 'bout it
(Tell me 'bout it)
Tell you how it feels
(How it feels)
And if the feeling's real
(Feeling's real)
Let's seal the deal
(Hey, hey, hey) What you think about me and you being together?
Could you break and shake my cold and stormy weather?
Have you got this under control?
Show me you know about a woman's soul [Chorus] I'll make you feel the way you wanna feel
I love how it's real
We're one in two minds
Maybe it will stick
You'd better be quick
I hope that you heard me right
Tell me, tell me 'cause I won't wait
Suspense I just hate, so spit it out now

If you're feeling like I do
Won't you come and do it to me
So tell me, babe[Chorus]Tell me 'bout it
Tell me 'bout it, baby
Tell me 'bout it
Tell me 'bout it, baby
I really wanna know
Come on now, what's your story?
Tell me
Tell me, baby
Tell me, baby
