

# The Big Bang

## RacketEar

I don't wanna lie  
I'm gonna take what you're giving  
'Cause I know you're willing  
To take me all the way  
You got me right here  
Combustible  
And I can't wait to finally explode  
The big big bang  
The reason I'm alive  
When all the stars collide  
In this universe inside  
The big big bang  
The big big bang , the big big bang  
Some people like to talk  
But I'm into doing  
What I feel like doing  
When I'm inspired  
So, if we take a walk down  
The beach tonight  
I bet we could light up the sky  
The big big bang  
The reason I'm alive  
When all the stars collide  
In this universe inside  
The big big bang  
The big big bang, the big big bang  
Take it from me, I don't wanna be  
Mummified  
Sometimes I feel so isolated  
I wanna die  
And I'll take it from me if you got it  
Every time  
So baby, bring your body here  
Next to mine, next to mine  
I don't wanna dream  
I just wanna live it  
So baby  
Let's not miss this thing  
The big big bang

The reason I'm alive  
When all the stars collide  
In this universe inside  
The big big bang  
The big big bang, the big big bang  
Hit me big, big, big, bang  
Whoa, baby  
Whoa, baby  
Whoa, baby
