

Sometimes

Oscar

I'm the worse thing that you'll ever know
Always, always
Pick me up and let me go
Thursday, Friday
I was freaking out so let me through
Exspace, some place
Never what you thought you knew in this place
Sometimes
Only when I look at you
I know the things I wanna do
Always
Always when you're in my room
I know the things I wanna do
Can we change the channel 'cause I'm bored?
Static, backflip
Tell me who I should support
Red team, green team
I was always bad at sport
I won't play your game
I want it so it has to be caught
In this place
Sometimes
Only when I look at you
I know the things I wanna do
Always
Always when you're in my room
I know the things I wanna do
Sometimes
Only when I look at you
I know the things I wanna do
Always
Always when you're in my room
I know the things I wanna do
Sometimes I'm getting closer
Sometimes you win me over
Sometimes I'm getting closer
Sometimes you win me over
Sometimes I'm getting closer
Sometimes you win me over

Sometimes I'm getting closer
Sometimes you win me over
Sometimes
Only when I look at you
I know the things I wanna do
Always
Always when you're in my room
I know the things I wanna do
Sometimes
Only when I look at you
I know the things I wanna do
Always
Always when you're in my room
I know the things I wanna do
Sometimes I'm getting closer
Sometimes you win me over
Sometimes I'm getting closer
Sometimes you win me over
Sometimes I'm getting closer
Sometimes you win me over
Sometimes I'm getting closer
Sometimes you win me over
