Don't Wait Until Tomorrow

Leo Sayer

Don't wait until tomorrow
It may come too late
Don't wait until tomorrow
Only fools hesitate
Take hold of every chance
That's offered to you
Don't say it can wait

That never will do
Don't wait until tomorrow
"cause it won't wait for you
Well I wonder sometimes
What the future will be
And all that it tells me
Is wait and see

Should I let the wind carry me
Like a wave on the shore
But I don't want my life
To just pass me by
When I think I'll grow old
It just makes me cry
There's too much to do and to say

And I don't have the time
It's all a waste of time
Don't wait until tomorrow
The waiting's no fun
Don't wait until tomorrow
Tomorrow never comes
Take hold of every chance

That's offered to you
Don't say it can wait
That never will do
Don't wait until tomorrow
'cause it won't wait for you

And this is the time where my heart belongs
I've waited in this town for much too long

Feeling like a leaf on a tree
I'm waiting to fall
I think I've seen it all
Don't wait until tomorrow
It may come too late

Don't wait until tomorrow
Only fools hesitate
Take hold of every chance that's offered to you
Don't say it can wait that never will do
Don't wait until tomorrow
"cause it won't wait for tomorrow, no
Don't wait until tomorrow
It won't wait for you
It won't wait for you
