

# Just In Time

Anita O'Day & Cal Tjader

I was resting comfortably, face down in the gutter  
Life was serene, I knew where I was at  
"There's no hope for him," my dearest friends would mutter  
I was something dragged in by the cat. Then Just in time, I found you just in time  
Before you came my time was running low  
I was lost, the losing dice were tossed  
My bridges all were crossed, nowhere to go Now you're here and now I know just where I'm going  
No more doubt or fear, I found my way  
For love came just in time, you found me just in time  
And changed my lonely life that lovely day
