If You're Willing

Oleta Adams

People are talkin bout your reputation
So many speak of you with deep admiration
I heard you heal the sick and even cleanse the leper
I really think I'd like to get to know you better
Your word is true just tell me what to do
I put my trust in youIf you're willing, you can make me clean
Make me over, like you want me to be
Say the word, Lord and my sins are washed away
I believe you will do everything you say
If you're willing, (Oh) I know you can make me cleanI'm glad you understand our situation
Cause you've been tested with the same temptation
And if you lead me Jesus, I'm gonna follow
Come take me by the hand, don't wait until tomorrow
Your word is true please tell me what to do
I put my trust in youIf you're willing, you can make me clean
Make me over, like you want me to be
Say the word and my sins are washed away
I believe you will do everything you say
If you're willing, I know you can make me clean
All it takes is a little bit of faith and mountains are cast in the sea
If I trust in the Lord and never, never doubt
He's gonna answer my plee (oh)If you're willing, you can make me clean
Make me over, like you want me to be
Say the word and my sins are washed away
I believe you will do everything you say
If you're willing, I know you can make me clean (x2)If you're willing, Father, you can make me clean Oh
You're gonna make me over just like you want me to be
Willing (Willing, yes I'm willing)
When I get down on my knees and pray
If I ask and believe, Lord
You'll do everything you sayWilling (Willing, yes I'm willing)
Will you change the way I walk and the way I talk
Just say the word, Lord
And you wash my sins away (And you wash my sins Ohhh yes)(Willing, yes I'm willing)
You can make me clean, won't you do that for me
Just make me over, Lord (Willing, yes I'm willing)
Like you want me to be OH!
