

# Sometimes I Feel Like a Motherless Child

Louis Armstrong

Sometimes I feel like a motherless child(Sometimes)  
Sometimes I feel like a motherless child  
Sometimes I feel like a motherless child  
Sometimes I feel like a motherless childA long way is from home  
A long way is from home  
Do believe us, A long ways from home  
A long ways from homeYes, sometimes I feel like a motherless child  
(Why?)  
Why? 'Cause nothin' ever happens  
(Nothin'?)Well nothin' good  
(So what's good?)  
You know to have a ball, man  
(You sick?)  
No(Hungry?)  
No man  
I just had myself a whole mess of black eyed peas and rice  
(Long way, long way)(See what I mean?)  
I did I am a long ways from home  
But things could be worse, sure could
