

True Faith

George Michael

I feel so extraordinary
Something's got a hold on me
I get this feeling I'm in motion
A sudden sense, a sense of liberty I don't care 'cause I'm not there
I don't care if I'm here tomorrow
Again and again and again I've taken too much
Of the things that cost you too much I used to think that the day would never come
I'd see the light in the shade of the morning sun
Don't you know, the sun's really got a hold on me
My morning sun is the drug that brings me near
To the childhood I lost, replaced by fear When I was a very small boy
Very small boys wouldn't talk to me
Now that we've grown up together
Can you believe they're afraid of what they see That's the price that we all pay
When valued destiny comes to nothing
I can't tell you where we're going
I guess there's just no way of knowing I used to think that the day would never come
I'd see delight in the shade of the morning sun
My morning sun is the drug that brings me near
To the childhood I lost, replaced by fear Oh, I know, I know, I know, I know it's just so bitter
Feels so wrong, feels so wrong
Oh, I know, I know, I know it
But I have a question, beg a question I, I
I'm in motion, motion
I'm in motion, I'm in motion
